**A STAT TRANSCRIPTION SERVICE INC.
ANNOUNCES NEW DIRECTOR OF MARKETING & SALES**

Port Orange, FL – September 2, 2008 – Cindy Richardson, Managing Partner of A Stat Transcription Service Inc., announced the appointment of Charlotte W. Howell to the position of Director of Marketing & Sales for A Stat Transcription Service Inc. Ms. Howell's responsibilities will include marketing, sales, customer relations management, and public relations.

Ms. Howell has been a practicing professional in the marketing and sales arena for more than 10 years, the last three years of which have been in the medical transcription industry. Prior to her joining the medical transcription industry, she directed fundraising activities, wrote sales proposals, and organized awareness campaigns for various healthcare organizations.

Cindy Richardson said, "We are pleased to have Charlotte join A Stat to continue expanding our transcription partnerships to healthcare facilities across the United States. Charlotte was selected because of her transcription and healthcare industry experience and her marketing expertise."

Headquartered in Central Florida, A Stat Transcription Service Inc. is a medical transcription service provider, incorporated in 2000, with clients nationwide.

About A Stat Transcription:

A Stat Transcription's goal is to build longstanding partnerships with our clients to provide them with the most cost-efficient, time-saving, and secure solution for their medical transcription workflow needs and expectations. We do this by hiring only quality-minded MTs, never sending patient's protected health information (PHI) offshore, and offering only the best transcription technology platforms.
